B

The children in Miss Ling's class are not like most children. They don't watch TV. Miss Ling asked her class not to watch TV for one week. She told them that they could have more fun doing other things. The children said, "Let's find out if Miss Ling is right." Instead of watching TV, they read, made things and played games with families.

The children had so much fun that they are not going to watch TV for a year. Would you like to stop watching TV?
