### Advice on how to learn Chinese well

Dear Lucy,

I am very glad to receive your email. Since you are interested in learning Chinese, I would like to give you some advice on how to learn it well.

First, it is helpful to read Chinese newspapers and magazines. In this way, your reading ability will be improved. Besides, listening to your favorite Chinese songs is an effective way to improve your listening. Moreover, try to speak Chinese as much as possible, and do not be afraid of making mistakes. Finally, keeping a diary in Chinese is a good way to improve your writing.

Hopefully, the above advice will help you learn Chinese well.

Yours,
